

FRESHEN-UP

LEMON-SCENTED ODOR COUNTERACTANT

DESCRIPTION:

FRESHEN-UP is a super-concentrated lemon-scented water-soluble odor counteractant that eliminates odors — not a mask or odor cover-up, so rooms smell fresher longer. All natural odor counteractants neutralize malodor molecules to eliminate odor problems.

Blended with synergized surfactants, FRESHEN-UP enhances the cleaning power of mop water solutions for more sanitary floors, carpets, and upholstery.

FRESHEN-UP can be used safely in all water-based cleaning/disinfection solutions, carpet/rug shampoo solutions, sickrooms, commercial laundries, drains: anywhere problem odors exist.

- **REDUCE COSTS** - Multi-purpose product reduces cleaning expenses.
