

TECHNICAL DATA SHEET

DISH DETERGENT - KLEENWISE

CONTAINS NATURAL ALMOND OIL

Kleenwise Brand

The Kleenwise brand of cleaners have been created using select natural ingredients that enhance cleaning performance while maintaining value-oriented pricing.

Description

KleenWise Dish Detergent is a mild, almond-scented blend with Dfe-approved ingredients for a greener environment. Our biodegradable blends are designed to offer maximum cleaning results at a low-cost basis. KleenWise Dish Detergent is high sudsing and requires only a few ounces to wash a large sink of dishes.

KleenWise Dish Detergent may be to clean a variety of surfaces further enhancing its cost benefit.

Appearance

Clear blue liquid with a strong almond scent.

For Use On

KleenWise Dish Detergent, when diluted as directed, is safe for use on typical dishware and utensils including the following materials: stainless steel, cast iron, glass, ceramic, porcelain, crystal, granite, concrete, marble, plastics and more.

Additional uses include hard surfaces such as counter tops, appliances, painted surfaces, chrome, delicate washable clothing, dirty hands and more. Excellent for car washing.

Directions

General Dishware Cleaning: Dilute 2-4 ounces per gallons of hot water. Allow dishware to soak as needed then scrub or wipe with suitable applicator to remove build-up. Rinse with hot water.

Heavy-Cleaning: Dilute 4-6 ounces per gallon of hot water and allow soiled items to soak until loosened. Wipe or scrub as necessary and rinse with hot water.

Hard Surface Cleaning: Dilute 1-2 ounces per gallon of water. Apply with suitable applicator and wipe as necessary. Rinse with clean water, if needed.
